

Plexi Armor

An Essential Business Must-Have

Our Plexi Armor is designed to create a hygiene conscious workplace. Also known as “sneeze guards,” Plexi Shields protect your employees and customers by acting as a physical barrier that stops germs from reaching beyond the plexi.

Essential business owners, we know you have a lot on your plate. Let us provide you with the most cost-effective, low maintenance solution for keeping your business active and healthy.

Optional Add-Ons

- (2) U-Brackets for maximum stability
- Custom vinyl decals to add your branding & message
